

TRUCHARD VINEYARDS

2006 Estate Cabernet Sauvignon, Los Carneros: 92+ Points. A remarkable Cabernet boasting some impressive quality! The deep purple color is followed by creamy black fruits, graphite dust, blue flower, cassis, and traces of blueberry aroma. This is dense, full-bodied, rich, and luxurious with concentrated fruit and rich cassis/blueberry extract. There is nothing missing in this focused and expansive offering. Cellar this Truchard for the next 15-18 years. This is great quality from Carneros.
