

One Puff

TRUCHARD 1991 Cabernet Sauvignon – Creamy oak and hints of vanilla join nicely defined elements of cherries and currants in the attractive, if slightly low-keyed aromas. The moderately fruity flavors of the wine reflect those aromas of both character and basic intensity with a slight shortfall of energy coming in the dry, nominally tannic finish. If tough enough at the end to warrant five or more years of keeping, the wine is not so densely filled and may be best if held for only a few.
