*"Sun-kissed, ultra-ripe plums distinguish themselves in a bed of roses and cranberry spice. Abundant in flavor, acidity and style—this is the feminine side of Cabernet Sauvignon (blended with 10% Cab Franc, 1% Petit Verdot and 1% Malbec). Mocha claims vanilla, lavender trumps espresso and a juicy, gorgeous creature emerges as it glides across the palate dressed in velvet, pronouncing the word t-a-n-i-i-n with poetic license."*
