## TOP 100 WINES OF 2004 #50 in the world

### Truchard Vineyards

#### Chardonnay Napa Valley Carneros 2002

**92 Points** - Tony and Jo Ann Truchard founded their winery in 1990, after more than 15 years of selling grapes to producers such as Acacia and Duckhorn. Winemaker Sal DeIanni ferments the grapes in French oak using various yeast strains. Partial malolactic fermentation (30 percent in this case) allows the wine to retain bright natural acidity. 2,937 cases made.
