

TRUCHARD VINEYARDS

2015 CABERNET SAUVIGNON RESERVE

Vintage: The 2015 vintage was one of the earliest harvests on record! A very dry winter forced early bud-break. Cool spring conditions during flowering led to poor set; yields were down almost 40%. Moderate summer temperatures quickly brought the small crop to full maturity. The wines of 2015 are powerful and concentrated, yet elegant.

Vineyard: The Truchard Estate Vineyard is located in the Carneros region of the Napa Valley. It is 400 acres of hills and valleys, which contain a variety of soils: clay, shale, sandstone, limestone, volcanic ash and rock. The combination of terrain, geology, and marine-moderated temperatures, provides conditions well suited for wine-growing. Cabernet Sauvignon is planted in various sites - on steep, southwest-facing hillsides. The vines range from 19 to 41 years old, and produce wines that are deep in color, dominated by lush flavors of plum, berry, and spice. **Cabernet Sauvignon is the only wine produced by Truchard Vineyards with a "reserve" designation. It is a very limited bottling that is a tribute to the quality of this unique vineyard.**

Harvest: Oct. 1 – 10 • 24.7 °Brix • 3.48 pH • 6.5 g/L TA

Winemaking: All of the fruit was gently destemmed and crushed, then inoculated with Pasteur Red yeast. Each fermentation was pumped-over twice daily, with the temperature peaking at 88° F. The lots were pressed after 28 days of maceration. The wine was aged for 20 months in French oak (75% new). Racking occurred every 4 months until bottling in August of 2017. This wine is 100% Cabernet Sauvignon. It is drinkable upon release, but will gracefully age for the next 15 – 20 years.

Wine Analysis: 14.2% alcohol • 3.54 pH • 6.0 g/l TA

Tasting Notes: A beautiful Cabernet nose of ripe plum, red berries, and cassis; with hints of cedar, cocoa, and sweet vanilla. The mouth round and intense - layered with flavors of cherry jam, blackberry, and raspberry. Velvety tannins lift the palate and provide an elegant finish of berry and spice.
