

WINE ENTHUSIAST

Truchard Vineyards

Roussanne Noir Napa Valley Carneros 2002

90 Points - Has a rich, buttery creaminess and very forward tropical fruit flavors that are like a great Chard, but there's a broad, nutty taste and texture, and a distinctly floral note, that make it distinct. Try this soft, flavorful wine as an alternative to Chardonnay. — S.H. (8/1/2005)
