TRUCHARD VINEYARDS

 TRUCHARD VINEYARDS 1997 Carneros Napa Valley. Sporting a nice mix of ripe berries, peppery spice, oak and a bit of loamy earth in its well-focused young aromas, this neatly balanced wine offers lots of fruit again in the mouth with touches of smoke and gamy spice providing clear varietal character. Slightly rounded on entry and then a touch firm at the finish, it is less the extracted monster than some, and it shows a spark of youthful brightness that promises good things with some five or six years of cellaring.
