

Connoisseurs' Guide to California Wine
Zinfandel

✿ **89 TRUCHARD Carneros – Napa Valley 1999**

Lovely and abundant oak pushes up to take a slight lead over nicely placed elements of ripe blackberries in the rich aromas of this well-crafted Zinfandel, and the wine's accessible flavors do not disappoint as they deliver all of the sweet oak and fruity substance promised. Although the wine is comparatively low in astringency and fairly open even now, it is still on the youthful side and seems likely to improve for several years.
